SPECIAL ECONOMIC AND DISASTER RELIEF ASSISTANCE:
SPECIAL PROGRAMMES OF ECONOMIC ASSISTANCE

Algeria, Argentina, Barbados, Benin, Bolivia, Brazil, Burkina Faso, Cameroon, Cape Verde, Central African Republic, Chad, Chile, Colombia, Comoros, Cuba, Dominican Republic, Ecuador, Egypt, Ethiopia, Ghana, Guatemala, Guinea, Guyana, India, Jamaica, Lesotho, Madagascar, Mali, Morocco, Namibia, Nigeria, Papua New Guinea, Peru, Togo, Uganda, Vanuatu, Yugoslavia:
revised draft resolution

Assistance to Benin, the Central African Republic, Ecuador, Madagascar and Vanuatu

The General Assembly,

Recalling its resolution 43/211 of 20 December 1988 on assistance to Benin, the Central African Republic, Democratic Yemen, Djibouti, Ecuador, Madagascar and Vanuatu and its previous resolutions on assistance to the countries concerned,

Having considered the relevant report of the Secretary-General, 1/

Deeply concerned at the seriousness of the economic and financial crisis prevailing in these countries, which is heightened by the catastrophic effects of natural disasters,

Noting that, despite the structural adjustment programmes carried out by most of these countries, their economic and financial performance for the past two years has continued to be poor, and stressing the need for vigorous support of these

programmes and for action to alleviate the impact of the adjustment policies being implemented, especially in the social sphere,

Noting that Benin is still facing a financial crisis, which reached its peak in 1989 as a result of the erosion of the tax base, the collapse of the banking system, the fall in productivity of the revenue services, the persistence of the consequences of the disastrous floods of 1988 and the economic crisis in the region,

Noting the grave difficulties that the Government of the Central African Republic has continued to face since 1982 in achieving the objectives of its development programme owing to the adverse effects of the international economic situation and owing to the need to devote more supplementary resources to that programme in order to achieve its objectives,

Bearing in mind the economic and financial consequences of the earthquakes of March 1987 in Ecuador and their negative impact on that country's balance of payments, and taking into account the fact that all the efforts made by the Government of Ecuador to ameliorate that adverse situation have not produced the desired results, since the effects of the international economic crisis seriously impede the entire economic and social development process,

Noting that Madagascar's economic and social development efforts are being thwarted by the adverse effects of the cyclones and floods that afflict that country periodically, and that the implementation of reconstruction and rehabilitation programmes requires the mobilization of substantial resources that are beyond the country's real means,

Also noting that Vanuatu, an island developing country, continues to experience severe constraints in its economic and social development as a consequence, inter alia, of the deterioration in the terms of trade for its export commodities and of a high population growth rate coupled with an absence of skilled manpower,

Further noting the particularly difficult problems faced by island developing countries in responding to negative and special economic circumstances, as referred to in the report of the Secretary-General 2/ called for in its resolution 43/189 of 20 December 1988,

Recalling the Paris Declaration and Programme of Action adopted at the second United Nations Conference on the Least Developed Countries on 14 September 1990, the mutual commitments entered into on that occasion and the importance to be attached to follow-up to the Conference,

Having heard the statements of Member States at its forty-fifth session on the current situations in those countries,

---

2/ A/43/513 and Corr.1.

5. Appeals to Member States, international financial institutions, the specialized agencies and organizations and programmes of the United Nations system, humanitarian organizations and voluntary agencies to respond generously and urgently to the needs of those countries as identified in the report of the Secretary-General 1/ and to continue and increase their assistance in response to the reconstruction, economic recovery and development needs of those countries;

6. Requests the Secretary-General to take the necessary steps and to mobilize the resources needed, in collaboration with the organs, agencies and programmes of the United Nations system, in accordance with resolution 43/211 on special programmes of economic assistance, to provide assistance for all disasters, natural or otherwise, striking those countries both in order to meet any reconstruction needs resulting from disasters that have already occurred and in order to implement preventive programmes for reducing the effects of future disasters;

7. Also requests the Secretary-General to submit to it a report on the implementation of this resolution, containing:

(a) The identification of priorities for action by the international community;

(b) An assessment of the assistance actually received;

(c) An assessment of needs still unmet and specific proposals for responding to them effectively.
